The Marshland Centre will be decked out for Lakefield's 6th Annual Christmas show & sale. Now a village tradition, this boutique-style show features the work of local & regional artists and artisans. Nestled among the trees on beautiful Hague Point, The Marshland Centre will be brimming with one-of-a-kind handcrafted items including pottery, jewellery, hand-woven baskets, metal sculpture, textiles, carved gourds and woodturning, artisan soaps & candles, and many other unique works of art.

*So please, bring a friend, enjoy a warm glass of cider,  
and spend some time with us!*

Donations to the Lakefield Food Bank will be gratefully accepted.
