

**COUNTY OF PETERBOROUGH
NOTICE OF PUBLIC INFORMATION MEETING**

Ward Street Corridor Transportation Study

The County of Peterborough in cooperation with the Township of Smith- Ennismore- Lakefield has initiated a study of the capacity of the Ward St. (County Road 18) corridor from County Road 14 south to the southern limits of Bridgenorth. The study area is shown below.

The purpose of the study is to examine the current & future capacity of the Ward St. corridor and to identify alternative improvements to the corridor to address capacity shortfalls. The study will examine both vehicular and pedestrian movements through the corridor.

A public information meeting is planned to provide further information to the public on the proposal and to receive input and comment from interested persons. The information meeting will be an informal drop-in meeting where representatives of the County of Peterborough, Township of Smith- Ennismore -Lakefield and their consultants, Tranplan and Associates, will be available to discuss the study and receive comments.

You are cordially invited to attend the Public Information Meeting scheduled for:

Date: Thursday, June 11, 2009
